To the Parties in the Dominion Rate Case:

Folks, it had occurred to the Commission Staff that some of the information that we had gathered for the virtual hearing that began last January could have become outdated. For this reason, we are once again requesting that you access the survey above and fill in the information requested. We would request that you return the survey to us on or before WEDNESDAY, JULY 7 2021 AT 4:45 PM. We would request that you fill in the survey again even if the information that you provided for the January hearing has not changed, so that we will have all the information in one place. Thank you in advance for your help and consideration in this matter.

Regards,

David Butler

Special Counsel

Public Service Commission of South Carolina

P.S. If there is any "settlement news" that could be reported, we would be very interested in that also.
